## **Saturday, April 02 2022**

The championship is an organisation of I-Karate GLOBAL. It is an open competition, and we expect many competitors from several continents.

Thanks to our unique competition system, even if one has little experience, one can participate to this championship. So, don't hesitate to register because 150 competitors is the limit for this competition.

Our previously organised competitions and championships have been a great success. So we expect to see the same enthusiasm and spirit at this competition.

Last year 122 disabled athletes inscribed at the Open Belgium, and 7 countries attended: Belgium, The Netherlands, France, Ireland, Hungary, Latvia and Sweden.

In our mind, to participate is to win. A quote certainly valid for our I-competitions. That's why every competitor receives a unique trophy at the end of the day. There are 48 possible category's to inscribe! That means that one participants can inscribe for several disciplines.

Besides a sport challenge, this IKF (I-Karate Global) competition day is also a social occasion for all ages, abilities and nationalities to meet and greet in an friendly environment.

## CLASSIFICATION

- 1 It is important to note that new levels in the Classifications will be created as each category attracts more participants.
- 2 You are obligated to have an IKF I-karate Global classification the day or morning before the competition. You will be noticed on time when you or your country needs to show up for the classification, please be on time! **no classification is no entrée and no refund!**
- 3 **Classifications cannot be changed on the day of the competition.**

If you already been classified you don't have to sign up for classification on Friday only when you want to change according to your existing classification.

- 4 I-karate can be further categorized by age, gender or belt grade. A category needs to have enough competitors for a competition to be viable. The minimum of 3. If less than 3 than the athletes will be classified in a higher category that is suitable for them, according to the technical classifier.
- ~~5 Our experience has shown that both I-Kata and I-Kumite (not pairs) need to be carried out one after the other for disabled people to minimise waiting time and also to reduce organisation time.~~
- 6 Complains can be done at the table only by the official inscribed coach of the team.
  - o The table will talk about the issue to the comfort referee who is responsible for that particular floor.
  - o Together they make a decision, if no decision can be made the tournament head comfort referee at will be involved and will make the final decision.
  - o You have to understand that all disabled athletes are different, we try to do our utter best to put them in the correct category. We apologize already if this is not the case because we don't do extra points for athletes who have more disabilities. We rely on the skills of our IKF judges.
- 7 Any bad behaviour, verbal or physical, by competitor, coach or spectators of a certain competitor to anybody of the organizing team (judge, tables, entrée, comfort referee) will result in exclusion, of the participant or even the whole team.
- 8 **Please describe your athletes as correct as possible.**
- 9 **Obligated to inscribe for all seminars, dan grading.**

**All IKF judges, IKF trainers and competitors need to have IKF licence.  
Certificate and examination for IKF table responsible, IKF judge 10 euro.
