

# JKS Scotland Disability Grading Success

JKS Scotland are proud to be working with and teaching JKS style karate to people with mental and physical disabilities twice a week at the Honbu dojo in Dunfermline.

The classes have now been running for just over 5 years and we currently have around 30-40 students training each week. The classes are proving to be a massive success establishing a karate for all system.

Huge congratulations to the students from our Disability karate class that successfully passed their grading examinations on Monday 21<sup>st</sup> and Tuesday 22<sup>nd</sup> March 2016.

Well done guys.
