4 hours

Practical 2 competitions (first one together with supervisor classifier IKG)

The Technical classifier IKG will decide if you passed.

International trainer

IKG will appoint you personal if you have the knowledge to spread and support the IKF-IKG principles.

All the International requests will go true the head office IKF.

Examiner dan grading commission

IKG need to appoint you. You need to be at least comfort referee and national teacher.

E. Examination program:

Program will follow!

*dan grading for the IKG trainers means that you are aware of the methodology.

This IKG grade is only to use when teaching disabled students. It cannot be compared with any regular grades in any other Martial Art you obtained in the regular Martial Arts circuit!

You can inscribe for most of these seminars the day before the competitions.

All these certificates are valid for 2 years, you will be evaluated every 2 years.

- An IKG trainer can go to the next grade after he can proof a 3 year active membership and working as a IKG trainer.
- 5 th dan is the highest ranking for the moment.
- The examination for trainers contains a questioner about the IKG system.
